For over a decade, **SiNaCa Studios School of Glass & Gallery** has been an anchor in the North-Texas Arts Community, elevating and educating in the art of glass. As a 501 (c)(3) nonprofit, we employ and exhibit talented glass artists, empowering individuals and our community through creativity and self-expression.

**SiNaCa** partners with other local organizations to offer services that advance glass art and education in our region. Together, we support emerging artists in our community and present public classes and demonstrations.

 **SiNaCa Studios Friends & Family Game Night** is an opportunity to step beyond the black line and into the heat of the action. 🔥

Friends & Family Game Night is a BYOB, family-friendly, interactive evening where creativity meets play. Guests explore SiNaCa Studios through trivia, scavenger hunts, glass-inspired challenges, and hands-on activities—earning SiNaCa Bucks to redeem for prizes.

Whether dropping in for a quick game or diving deep into the experience, this event invites the community to engage with glass art in a whole new way.
