

# Homebrew Invitational 2026

November 7, 2026 | 1013 W. Magnolia Ave. Ft. Worth, TX 76104

For over a decade, **SiNaCa Studios School of Glass & Gallery** has been an anchor in the North-Texas Arts Community, elevating and educating in the art of glass. As a 501 (c)(3) nonprofit, we employ and exhibit talented glass artists, empowering individuals and our community through creativity and self-expression.

**SiNaCa** partners with other local organizations to offer services that advance glass art and education in our region. Together, we support emerging artists in our community and present public classes and demonstrations.

Our **Homebrew Invitational** competition highlights local craft brewers and consists of two awards! Our "*Best in Show - People's Choice Award*" is decided by beer enthusiasts voting on their favorite brew, & the "*Best in Show - Professional Brewers' Choice Award*" is judged by a panel of local professional brewmasters.

**Our Homebrew Invitational is a family-friendly event showcasing glassblowing workshops celebrating craft in all its forms.**

**We invite you to join us for the best in local beer, lunch, and to enjoy the community vibe with our neighbors. Enjoy a cold brew as we usher in the Fall season!**
